

Classic Cabinets

Kitchens and Baths do not have to be Boring. Just come to our showroom or give us a call. We can help you design, plan and find the right materials to give you the artistic touch you want. We are proud to carry artistic Cabinets by Designers Choice Cabinetry . We can create kitchens and bathrooms for you from your own design and choice of shades and materials.

These cabinets are Made in U.S.A. which really means Made with Pride.

Visit our showroom to touch and feel the door samples and decide which pattern fits your design for your Kitchen or Bath creation or remodel. Pick up the Hardware of your choice to complement your Cabinet selections. Please click on our suppliers Site: www.dccabinetry.com to view what is the latest trend and what pattern will be appropriate for your artistic project. Once you choose the cabinet style of your choice we can also supply you with any countertop material you want. Please visit the Countertop Page of this site.
