

About Us

Our Company is engaged in Manufacturing and fabricating products for Bath and Kitchen since 1989, in West Palm Beach, Florida, U.S.A.

Our Customers are happy to find all the Bath and Kitchen requirements under one roof.

We have always strived for quality and service first, which has paid off, looking at the list of our repeat Customers.

Our Specialty is custom manufacturing a unique material always known as "Cultured Marble", "Cultured Granite", and "Cultured Onyx", which falls under the category of "Cast Polymers", a Mastercast Engineered Composites.

These products enhance the beauty of the Bathroom with unlimited choices of Colors and designs for Tubs, Shower Pans, Surround panels, Vanity tops, Window sills and other architectural products.

All products are custom manufactured under strict quality control at our plant only after the customers selects the colors and specifies the sizes.

We fabricate Granite, Onyx, Marble and Solid Surface (Corian®) and Quartz Surfaces (Zodiaq®), (Ceaserstone®) into Countertops for Kitchen and Commercial applications.

We are dealers for beautiful Euro-style Kitchen and Bath cabinets by "Designer's Choice Cabinetry";

We are privileged to work with these satisfied customers:

- Individual homeowners.
- Re-modelers.
- Architects.
- Interior Designers.
- New Home Builders.
- General Contractors (Tract homes, Town homes, High-rise Condos).
- Commercial Builders. (School, Hospital, Restaurants, Offices).
- Hospitality and Lodging industry.
